

PROPULSION BV

STERN TUBE SEAL SPARES & PROPULSION SERVICES

We keep your interests first!

Stern Tube Seal Spare Parts:

Our sealing rings are made of a high grade FKM material (commonly known as Viton®) and comply with the makers fitting tolerances. Chemical analyses show compatibility with EAL oils.

Complete Stern Tube Seal Service Kits:

Our seals are offered with a complete installation kit. Installation kits contain: Liner O-rings, O-rings for oil lines, Gaskets, Anodes and fasteners. This kit complies with or exceeds your needs. We offer complete stern tube seal maintenance kits compatible with almost all oil lubricated lip seal systems. A cost-efficient solution.

Compatible with:

- Simplex (SKF®),
- Kobelco®,
- Kemel®,
- Eagle Seals®,
- Wärtsilä®,
- Lips®,
- John Crane®,
- Waukesha®,
- Chuetsu®,
- Dover Japan®,
- JMT (Japan Marine Technology)®,
- Deep Sea Seals®,
